

# AVOID ASSEMBLY ERRORS THANKS TO THE UNIQUE IDENTIFICATION OF EACH COMPONENT

"MAKE SURE YOU ALWAYS KNOW WHICH PRODUCTION LINE EACH PART BELONGS TO BY LASER ENGRAVING THEIR IDENTIFICATION NUMBER BEFOREHAND"

## Laser engraving

Aseptconn, leaders in fluid transfer equipment, will help you improve the traceability of the components of your various installations by engraving an identification number or the text of your choice.

The engravings are resistant even after electropolishing, and we can implement them on stainless steel and various plastics, in our workshop or on your premises

**Don't wait any longer, start the durable identification of your parts now!**
